ROSA BOLGER

Labour & Co-operative Candidate for Witney

Thursday 12 December

Green New Deal for Witney and the UK

Rosa hosted a packed public meeting with experts and is leading work on the Climate Emergency, including divesting from carbon producers. Under a Labour Government she will continue to work on transforming our economy to ensure sustainability, and new green jobs that protect our planet.

Protecting our NHS

Rosa was a leader in the community campaign to Save Cogges Surgery in Witney. Thanks to the support of the community and the brilliant NHS team, the surgery remains open. Under Labour, the NHS always thrives, and a Labour Government will rebuild it and fund it properly, recruiting the doctors and nurses we need.

Your Local Voice in Westminster

Rosa is mother to two children, working as a media producer for a local firm and for a local mental health charity. Her record as a councillor makes her a great choice to be MP for Witney. In the last two General Elections Labour came second, so only Labour and Rosa can defeat the Conservatives. Please vote for Rosa.

Why I'm backing Rosa Bolger

“ Since her election, Rosa has been a very effective councillor and champion for West Oxfordshire. I know she will make an outstanding MP and help rebuild the NHS, schools and public services, campaign for Remain, and take action on the climate emergency.

Your local campaigning voice in Westminster

"As a local resident I know the damage caused by the last ten years of Conservative and Lib Dem Coalition, and then Conservative Governments. As your MP I will work to rebuild and unite the country.

"I campaigned to Remain in the EU, but I understand why people voted to Leave. Labour will negotiate a safe and secure deal for Britain, then give YOU the final say in our future, with Remain on the ballot.

"What we want is a fairer, kinder society, where the future of our children and our planet is priority."
