The Bampton Directory is published under the auspices of *The Bampton Beam*. The 'Beam Team' would like to say a big thank you to The Parish Council, and all of the advertisers who continue to provide financial support. This support from 'The Beam' has in turn allowed *The Bampton Directory* to be produced and distributed free to all households and businesses in the Village.

While every effort has been made to ensure that the information contained in *The Bampton Directory* is accurate, neither the Editor, The Parish Council, nor anyone supplying information for inclusion in it, can accept any responsibility for the consequences of any error. Thank you also to all who have contributed, and a special thanks to Janet Westman for allowing us to use her excellent map of the Village. Additional copies can be obtained from The Bampton Community Shop at 50p each.

The Bampton Community Archive

Bampton Community Archive was created because Bampton is a special village with its own unique history and culture, and it was felt that something should be done to record and preserve its heritage before it all disappeared with the passage of time. And so, in 2002, a group of enthusiasts got together, and formed a committee to spearhead the project to gather information on the history of the village, and preserve it for posterity.

The Archive does not yet have a permanent home and so runs exhibitions in the Robert Vesey Room at the Village Library.
