# Donkey Derby & Fete

at Sandfords Field  
August Bank Holiday Monday  
2.00pm Start

A vulture boards an airplane, carrying two dead raccoons. The stewardess looks at him and says, "I'm sorry, sir, only one carrion allowed per passenger."

Two fish swim into a concrete wall. The one turns to the other and says, "Dam!"

Two Eskimos sitting in a kayak were chilly, so they lit a fire in the craft. Unsurprisingly it sank, proving once again that you can't have your kayak and heat it too.

Two hydrogen atoms meet. One says "I've lost my electron." The other says "Are you sure?" The first replies "Yes, I'm positive."

Did you hear about the Buddhist who refused Novocain during a root canal? His goal: transcendental medication.

A group of chess enthusiasts checked into a hotel and were standing in the lobby discussing their recent tournament victories. After about an hour, the manager came out of the office and asked them to disperse. "But why?" they asked, as they moved off. "Because", he said, "I can't stand chess-nuts boasting in an open foyer."

A woman has twins and gives them up for adoption. One of them goes to a family in Egypt and is named "Ahmal." The other goes to a family in Spain; they name him "Juan." Years later, Juan sends a picture of himself to his birth mother. Upon receiving the picture, she tells her husband that she wishes she also had a picture of Ahmal. Her husband responds, "They're twins! If you've seen Juan, you've seen Ahmal."

These friars were behind on their belfry payments, so they opened up a small florist shop to raise funds. Since everyone liked to buy flowers from the men of God, a rival florist across town thought the competition was unfair. He asked the good fathers to close down, but they would not. He went back and begged the friars to close. They ignored him. So, the rival florist hired Hugh MacTaggart, the roughest and most vicious thug in town to "persuade" them to close. Hugh beat up the friars and trashed their store, saying he'd be back if they didn't close up shop. Terrified, they did so, thereby proving that only Hugh can prevent florist friars.

Mahatma Gandhi, as you know, walked barefoot most of the time, which produced an impressive set of calluses on his feet. He also ate very little, which made him rather frail and with his odd diet, he suffered from bad breath. This made him a super calloused fragile mystic hexed by halitosis.

And finally, there was the person who sent ten different puns to his friends, with the hope that at least one of the puns would make them laugh. No pun in ten did.

## DONKEY DERBY 2006

On behalf of the SPAJERS, I would like to welcome you our Donkey Derby. Many people are intrigued by our name, it stands for the Society for the Preservation of Ancient Junketing ! It is an organisation devoted entirely to the Senior Citizens of Bampton, it provides all of them with a monetary Christmas present and usually, an outing in the Summer, this year to Bournemouth in Dorset. As well as our annual events such as the Shirt Race, Quizes, Garage Sale, Barn Dance and Donkey Derby we also have Josie's Draw which is coming up soon so be sure to get to the Romany Inn for a great night out.

Our Motto is "Dynamic Yet Disciplined" so I hope you will be suitably impressed by all our members and helpers that are manning the stalls and trying to help us raise lots of money for what we feel is a good cause. I hope that you will enjoy your day with us and maybe win lots of prizes, if not a fortune on the Tote.

Best wishes to you all
