BEWG's main objective is to help preserve the historic, architectural and natural environment of Bampton. Appropriate comments are made to WODC and OCC on issues that could have a positive or negative affect on Bampton. Members are made aware of the pros and cons of significant new planning proposals that could affect Bampton, to allow individuals to take whatever action they see fit. BEWG is one of more than 1000 local amenity groups registered with the Civic Trust. It is also a corporate member of the CPRE (Council for the Preservation of Rural England) and FWAG (Farming and Wildlife Advisory Group).

BEWG arranges talks to meet a wide variety of interests including architecture, wildlife, conservation, agriculture, history and archaeology. These are held in the Village Hall at 8.00pm on the last Wednesday of April, July and October and at the AGM at the beginning of March
