Jo Swinson's Liberal Democrats are the strongest party of Remain.

People are fed up with the Brexit chaos. It has become a national embarrassment.

Brexit undermines every part of our economy, threatens public services, including the NHS, and limits opportunities for our children and grandchildren.

Both Boris Johnson's Conservative party and Jeremy Corbyn's Labour party are determined to pursue Brexit. But whether Conservative

blue or Labour red, it is clear that Brexit would be catastrophic for the UK.

Every vote for the Liberal Democrats is a vote to stop Brexit and build a brighter future.

Jo Swinson said, "Stopping Brexit means that we can focus on tackling the big issues facing the UK right now. We can build a Britain where we can grow our economy, tackle the climate emergency, and address the crises in our NHS and schools."

“I used to vote Conservative, now I'm voting Lib Dem”

“The nail in the coffin for me was when Boris Johnson was made leader of the Conservatives – it was clear he

was going to take the party and the country backwards. Jo Swinson's Liberal Democrats appealed to me as they clearly have the best vision for a brighter future for Britain.”

Former Conservative member, Cyndy Robertshaw

FREE CHILDCARE AND A FAIRER ECONOMY

Families are working harder than ever, but far too many are struggling to get by.

The Liberal Democrats have a bold plan to build a brighter future. We want to create a fairer economy where it's easier to be a parent, have a career, and provide for your family.

A Liberal Democrat government will provide free childcare for all children of working parents from 9 months old.

“This will close the gap between the end of paid parental leave and the start of free childcare provision. It will finally give parents more choice about when they return to work and unlock their untapped potential for our economy. This is part of our bold plan to build a brighter future and fundamentally reshape our economy.”

THE LIB DEM PLAN

Build a **fairer economy** by providing free childcare from 9 months and giving every adult £10,000 to spend on skills and training throughout their lives.

The choice is simple:
