

# VOTE TO BRING BACK COMMON SENSE

FE07

Dear

**I just want to take this opportunity to wish you a Happy New Year and I hope you had a lovely Christmas.**

My name is Ted Fenton, I am currently your County & District Councillor and I will be looking to defend my seat as your District Council candidate for Bampton and Clanfield ward at the upcoming local elections in May. Working with the local Conservative team and our MP Robert Courts we are campaigning on important issues as we continue to work hard to return a Conservative-run District Council rather than having the current chaotic Lib Dem, Labour, Green coalition, who are running our local councils. They are continually ignoring our views, and wasting tax payer's money on pet projects.

Elections in our area are always very close and we have seen in recent elections the Lib Dems, Labour and Greens do deals with each other to prevent local Conservatives from winning. This is damaging for democracy and results in a coalition of parties all fighting amongst themselves rather than focusing on delivering for residents in West Oxfordshire.

Lots of your neighbours find it easier to vote by post as it is quick, easy, and convenient especially if you are away during the election time. **I have enclosed a postal vote form with this letter so that if you don't already vote by post you can fill it in and return it to: Electoral Department, West Oxfordshire District Council, Woodgreen, Witney, OX28 1NB.**

I hope I can count on your support at the election in May and I look forward to meeting you soon.

Yours sincerely,

*Ted Fenton*

**County Councillor & District Council candidate**

**PS. Don't forget only your local Conservative team can beat the chaotic LibDem/Labour/Green coalition if you vote. Let's beat them together.**

## We will...

-  **Stand up for and listen to your concerns all year round not just at election time.**
-  **Fight against Lib Dem parking charges like the ones planned in Woodstock.**
-  **Bring back common sense and focus on improving the council services you pay for.**

**A local team working for a better West Oxfordshire.**

# our plan for West Oxfordshire.

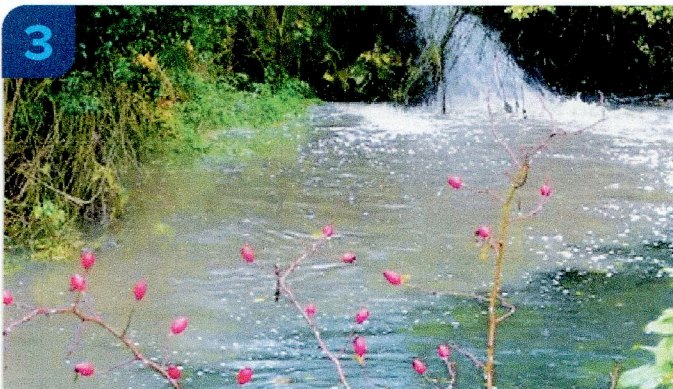

## 1 A COMMON SENSE COUNCIL.

The LibDem/Labour/Green coalition are wasting taxpayers money on pet projects. We will bring back common sense and focus on improving services.

## 2 IMPROVE OUR COMMUNITY AND LEISURE FACILITIES.

We will protect grant funding to ensure organisations that are working hard improving our local communities have access to more funding opportunities.

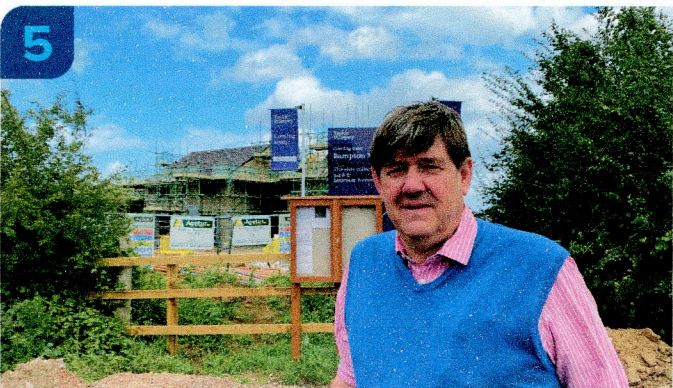

## 3 CAMPAIGN TO PROTECT OUR LOCAL RIVERS.

Improving our local rivers is something we are all passionate about and the dumping of sewage by Thames Water is not acceptable.

## 4 CHAMPION RURAL TRANSPORT.

Work with organisations to improve rural connectivity including investment in foot and cycleways.

## 5 INFRASTRUCTURE WITH DEVELOPMENT.

Any new homes built must include upgrades to local roads, doctor surgeries, and transport links.

## 6 BE ACCESSIBLE TO YOU ALL YEAR ROUND.

We will make sure we keep in contact with you all year round and not just at election time.
