SUMMER PAINTING COURSE for Members.

This course will be given by Pat Hare, who trained at Brighton College of Art and who has exhibited at the Royal Academy, Society of Graphic Artists, Society of British Artists and Young Contemporaries. She is a well known lecturer in many art subjects and gave a BBC series "Learning to Paint". The class will convene at Bampton Arts Centre at 10.30 am each morning to discuss the day's plans, which will depend on the weather. On fine days groups will go out into the country (and should therefore bring picnic lunches or plan to use the nearest pub). If the weather is wet Bampton Arts Centre will be used for still life and life drawing and lectures. Members must provide their own materials (any medium may be used) and this includes an easel if considered necessary.

Fee for the full 6 day course is £5 or £1 per day for Members who cannot attend every day. The course is already half full and anyone wishing to join should contact Ann Manly, Bampton Castle 455 or 8137 at once, sending a cheque made out to W.O.A.A. to her at Falcon Cottage, Bampton.

Wednesday 10th July

"FRAMING" – lecture by Pat Hare (see course above)

All members welcome. 8 pm Bampton Arts Centre

Art materials will be provided but not aprons or overalls which are recommended. Cost for 4 lessons will be £2 or £1 for 2 lessons. Confirm that space is available with Ann Manly, Bampton Castle 455 or 8137, before sending cheque or PO made out to W.O.A.A. to her at Falcon Cottage, Bampton.

Notice From Monday 15th July – Saturday 31st August the Gallery premises will be available to members wishing to hold a one man or joint exhibition.
