**Vote  Labour**

**Thursday 4 July**

Dear Resident,

You have been badly let down by 14 years of Conservative chaos and incompetence. Household bills are sky-rocketing. Sewage is in our rivers. Our environment and countryside are under threat. Public services are on their knees. Our police need more support to tackle crime in our towns and villages. New developments and housing need far better supporting infrastructure. You deserve better. It's time to get Britain's future back.

Yours

Antonio

## A two horse race here!

Witney needs an MP on the next Government benches to thrive

Only a vote for Labour on 4th July will ensure an end to 14 years of chaos under the Conservatives and provide the change we need to take back control of our future.

Independent forecasts project that Labour is best placed to beat the Conservatives in Witney. A vote for any other party risks a Conservative victory.

## My Story

### Antonio's story

Antonio is a partner at a public services specialist consultancy; his work has included helping establish the NHS AI Lab, scaling up the UK Government Digital Service and supporting our UK defence and space sectors.

He is an award-winning author of four books on business and technology. Antonio is a husband and father to two small children.

Our Armed Forces at the heart of the local economy

**My priorities:** End the Tory Economic chaos and create new jobs and economic growth with Labour's growth plan. **Clean up the sewage**, protect our environment and create GB Energy. **Rebuild public services** so they serve the British people from cradle to grave and rescuing our NHS. **Champion our Armed Forces** by putting the Armed Forces Covenant into law and establish a new Border Security Command. **Fight for British farming** and protect our countryside by reversing the Tory destruction of our rural economy and lowering red tape.
