TITAN

Tractor
Cub Cadet
Model: CUB
Year: 1952
This tractor was used for mowing and other farm work. It is a very reliable and durable machine. It was used by the author for many years and is still in good condition. It is a very nice piece of machinery and is well worth the price. It is a very good investment and is a must-have for any farm or ranch. It is a very reliable and durable machine. A man wearing a blue jacket and blue jeans, standing and holding a rock.

A boat with a white and red canopy, partially visible on the left side of the image.

A red van with a yellow license plate that reads "R375 YWL".

A silver pickup truck parked on the right side of the image.

A stone wall under construction, surrounded by a wooden frame structure. The wall is made of stacked, light-colored stones. The wooden frame consists of vertical posts and horizontal rails, with a thin wire or string stretched across it. Various tools and materials are scattered around the site.

A yellow plastic crate or bin, partially visible on the right side of the image.

A portion of a dark boot or shoe, visible in the bottom right corner.
