Dear Rose,

I find it quite difficult to put
Rose - you'll always be Rosie to me as you
were when a little girl in my class!

What a lovely surprise I've just had -
thank you very much for such a lovely
wedding gift from you all. Norman has
quite a few ideas about how he'd like to
change the garden - he wants to make a
larger piece into a pleasure garden so he
will have great joy in buying things with
your gift, what a grand idea of yours it
is. Our thanks to all of you for the gift
and good wishes. If only this lovely
weather would last how nice it would be.

What kindness I have received

from pupils I have taught, you have no idea what pleasure it has all brought to me, I find it quite overwhelming to think so many people wish me the happiness that life with a partner will bring.

With love & thanks to you all.

Norman & Mengel.
