

ELECTION COMMUNICATION

WITNEY

VOTE DAVID ROY COX

Hello Witney residents,

Oxfordshire is my home being born, raised and working here for some 40 plus years. We live in a wonderful part of the country, but we desperately need a change from the old parties which have let us down again and again.

I am delighted to be standing for the Heritage Party in this election to make the change we need to restore our nation. Some of our priorities for Parliament are:

1

Control Our Borders

Mass, rapid immigration is out of control. We need to stop the boats and reduce net immigration to sustainable levels. The Heritage Party will push illegal boats back to France. We will place strict caps on work and student visas while training our own young people to do the jobs that need to be done in this country.

2

No 'NET ZERO'

We will end the war on cars and carbon-based energy. We say no to low-traffic neighbourhoods (LTNs), the ULEZ, 15-minute cities and the coming ban on petrol and diesel cars. We will ensure we have cheap, reliable, continuous energy from coal, oil, gas and nuclear to keep the lights on and power our businesses and industry.

Protect Our Children

Comprehensive Sexuality Education has been introduced by the Tories in England, Labour in Wales and the SNP in Scotland. School children are now being exposed to appalling lesson content that confuses them about gender, undermines traditional family values and encourages sexual experimentation. The Heritage Party will ban these lessons and make it illegal to sexualise children. Let kids be kids.

FREEDOM FAMILY NATION

The Heritage Party stands for simple, common-sense values and principles that will restore pride, purpose and prosperity to our nation:

- Defend our culture and heritage
- Free speech and liberty
- Traditional family values
- Protect children from gender ideology and sexualisation
- National sovereignty
- Control our borders
- Self-sufficiency in skills
- No 'net-zero' – keep our cars
- Financial responsibility
- No more lockdowns
- Disentangle from foreign wars
