## The Bampton Beam

---

Dear Friends and Customers

I would like to thank everyone for the cards, notelets, letters and messages and visits during my spell in the J.R. All these mean a great deal to me. My sales ladies June and Iris (both of whom have worked in my shop longer than my 21 years) along with the help of friends have kept the shop open and running, and I hope to be back in the shop soon.

Thank you all once again for your continued support

Yours Faithfully  
Adrian Simmonds
