

West Ox

West Ox arts is a registered charity, part funded by West Oxfordshire District Council and Bampton Parish Council, and entirely staffed by volunteers, except for its part-time Administrators. It provides a valuable exhibition space for its members and the community, as well as a venue for workshops and social events.

The Gallery is situated on the first floor of the Town Hall in the centre of Bampton. Membership is open to all. Volunteers to help with our events and also sitting in the Gallery during exhibitions are always welcome, as are Artist and Craftsmen who would teach, lecture or demonstrate.

W.O.A.'s varied programme includes regular members' exhibitions, sponsorship of drama productions, W.E.A. literature course, twice weekly life classes, outings to galleries, workshops for both children and adults, quiz evenings and regular exhibitions of work by artist and craftsman working in Oxfordshire. Admission to all exhibitions is free.

For further information, please contact Sally Proctor, the Administrator. She is in the Gallery on Tuesday and Friday mornings, or leave a message on the answer-phone, which is checked regularly.
