## INVITATION TO VISIT ANARCTICA.

The Boys have relations in Anarctica, & these scenes show them receiving their invitation; waiting for the plane, & pictures of their Polar relations.

Quite apart from the joy of the visit, Uncle Harold hopes that the Boys will exert a good influence upon Cousins Tom & Karl, who are always fighting! Their portrait catches them engaged in a battle.

Arthur Bear is seen to be wearing his ~~sub~~ cap to give him authority over his warring Cousins! In this picture, the invitation letter & the antarctic stamp can be seen.

A jolly holiday was had by all — a very cold — but no matter!
