Mrs. Alec Townsend,
Ash Tree, Cottage,
WEALD,
Bampton.

Dear Mrs. Townsend,

Property at Fisher's Bridge.

Yesterday we called upon Mrs. Merryman of Carterton, who had previously seen the property.

She has all sorts of observations to its detriment, but finally came up with an offer of £2000, which we subsequently pressed her to increase to £2700.

We would not advise you to be in any hurry to accept this, but as Mrs. Merryman insisted that we should pass the offer on, we are doing so.

We are in touch with other applicants at the moment, but with no definite offer so far.

Yours faithfully,

Habgood Mammatt
