# The Grange Bampton to be sold

The Grange, at Bampton, owned by Major and Mrs. W. W. B. Scott, is to be sold. Major W. W. B. Scott is a well known figure in the hunting field, having been Master of Hounds for over 33 seasons and has just retired from the Joint Mastership of the Old Berkshire Hunt for health reasons after 7 seasons. The property is in the Old Berkshire Country and within easy reach of the Heythrop and Lord Bathurst hunts.

The property is an extremely fine 17 and 18th century stone built house situated on the edge of the attractive small town of Bampton. It occupies a delightful secluded position in a parkland setting amidst rolling countryside on the South-Eastern fringe of the Cotswolds.

Messrs. Strutt & Parker, Lofts & Warner are agents for the sale.
