

'SCHEME TO SHOW THE PROPOSED GREENING OF THE MARKET SQUARE GARAGE SITE FOLLOWING DEMOLITION, AND THE OPENING UP OF NEW CROSS VIEWS OF THE MARKET SQUARE, BAMPTON

KEY

- Section A-A View of west side of the Village Hall now visible after demolition of Market Square Garage
- (H) Oval shaped existing grassed plot, extended to the east
- (G) Proposed grassed area, sloping down towards the thatched cottage now exposed to view
- (P) Proposed extended row of car parking spaces subject to agreement etc. Note the existing road entry from Cheapside has been moved south to equalise the depth for parking each side
- (S) Marks a site shown cross hatched, which if built on to two-storey height could contribute to the periphery of the Market Square
- (T1) Proposed tree planting of agreed species.
- (T2) Proposed tree planting of agreed species.
- (T3) Proposed circular seat around this tree

Note: This information is not the result of any survey, but it is believed to be generally correct to a scale of 1:500
Section A-A drawn to a scale of 1:100

The underlying purpose of the scheme is to show how the green spaces could be linked together.
