Sandford Cottage 1912*

The Sandford area of Bampton was south of the church and may have had a row of 5 cottages.

John White 1824-1905 AKA Jackie lived in Sandford Cottage between 1871 and 1901.

It is thought that by 1901 as a widower, he and his adult daughter Fanny were living in a simple adjoining building as the main cottage had been taken on by his third son James.
