BAMPTON C. E. PRIMARY SCHOOL

Learning together with Respect,
Friendship and Perseverance

BEYOND BAMPTON – OUR PARTNERSHIPS

At Bampton CE Primary School and Nursery we value being part of a wider educational community, providing the best for your child. As an Academy we are part of the Oxford Diocesan Schools Trust (ODST) and also part of the Burford Partnership – a partnership between Burford School and 9 primary schools in the local area. Reaching beyond ourselves to foster partnerships ensures good pastoral links and a chance to exchange ideas and best practice.

WANT TO KNOW MORE?

Childhood is a special time, and we are committed to making school life as happy and productive as possible for your child, and every child in our care. If you would like to know more about Bampton CE Primary School and Nursery please take a look at our school webpage www.bamptonprimarschool.org.uk or to arrange a visit please call or email us.

WELCOME TO BAMPTON CE PRIMARY SCHOOL AND NURSERY

We are located just a short walk away at the heart of village life. We are an Academy school striving for excellence in all that we do and would like to share with you our vision for learning for your child.

WHAT WE OFFER:

- A warm and friendly learning environment for all children aged 2.5 to 11 years
- An understanding that your child is unique with individual needs; we aim to enable all children to reach their full potential.
- Wrap around care, that is fun and creative from 7.30 am until 5.30 pm
- Teaching of your child with their peers in single year group classes
- A vibrant extra-curricular programme that is engaging and enriching

WHAT WE BELIEVE

Our agreed three core values underpin our learning and enjoyment: **Respect**, **Friendship** and **Perseverance**. We use these values as a foundation for our **Growth Mindset** programme. Using this we encourage children to stretch themselves, take risks and move beyond a fear of failure to meet learning and life challenges.

OUR AIM:

To turn "I can't do this" into "I will try" and then "I will succeed".

OUR SCHOOL SETTING

With an early years unit, we offer dedicated classroom teaching and fun for the very youngest children (from 2.5 years) and a reception class. Beyond early years we have five further classrooms and, due to development funding, from September 2017 we will expand to 8 classrooms ensuring all children are taught within their peer group rather than in mixed age groups.

In this way, we can capture the imagination of children right through to secondary school, building and cementing local friendships which can last for life.

We are really excited to be growing our school and look forward to welcoming new children into our school family

Carol Phillips, Headteacher

I like the toys and the food

Nala Hunt, age 5.

EXTRA-CURRICULAR CLUBS

We believe that learning and fun shouldn't stop at 3:15 pm and so we provide an extensive programme of clubs for your child to join. From pottery to football, from dance to science – we aim to ensure that every child gets the most out of school life. In addition, our school buildings are used for extra-curricular activities such as Brownies, Beaver Scouts and Cubs.

It's fun because you can play games, colour in and it keeps you entertained

Chloe Adams, age 10.
