

CHARLOTTE HOAGLAND

BUILDING A BRIGHTER FUTURE FOR WEST OXFORDSHIRE

Councillor Liz Leffman is backing Charlotte Hoagland to win here in Witney constituency.

Charlotte Hoagland

Fighting for our community

Witney resident Charlotte Hoagland is leading the strongest ever Liberal Democrat campaign in our area to beat the Conservatives.

The Lib Dems topped the poll here in May's European elections, and have led the way campaigning for a fair deal for local rural services. Charlotte has campaigned for better infrastructure to ease congestion on the A40 and work to reconnect Witney with the national rail network.

Locally and nationally the Lib Dems have been fighting to stop Brexit from day one. Charlotte and others have led calls for a People's Vote.

The Liberal Democrats are the opposition to the Conservatives here. Labour came fifth in the recent European elections and in a recent Witney town poll went from first to last.

Only Charlotte can beat the Conservatives here.

THE CHOICE HERE IS CLEAR:

Charlotte Hoagland

OR

Boris Johnson's Conservatives

✔ Stopping Brexit

Charlotte Hoagland will fight for the wishes of most West Oxfordshire residents and stop Brexit.

✔ Tackling the climate crisis

Leading the way on tackling the climate crisis with action nationally and locally.

✔ Protecting rural services

Liberal Democrats are campaigning for our vital rural services such as health and transport.

✘ Ignoring local people's wishes

Our Tory MP supports the worst form of crash-out Brexit and is a member of the extreme ERG.

✘ Backing damaging development

Locally and nationally the Tories have imposed massive levels of house-building without providing the vital infrastructure.

✘ A record of inaction

From protecting local health services to action on the climate emergency, the Conservatives' silence is deafening.

ONLY THE LIB DEMS CAN BEAT THE CONSERVATIVES

The **Liberal Democrats** are **WINNING**

Right across the UK, Jo Swinson's Liberal Democrats are winning and gaining momentum:

- ✔ **GAINED** over 700 new councillors in May's local elections.
- ✔ **BEAT** Labour and the Conservatives in May's European Elections
- ✔ Membership has **SURGED** to a record high of over 125,000 members.
- ✔ **WON** parliamentary by-elections in Brecon and Shetland.
- ✔ MPs from both Labour and the Conservatives have **JOINED** the Lib Dems as more and more people abandon the two old parties.

Be part of the team that is winning the fight to make Britain fairer and build a brighter future for all.

It's Lib Dem Charlotte or the Conservatives here

Only a vote for the Lib Dems can stop the Conservatives here in Witney Constituency.

The General Election here is a clear choice between Lib Dems and the Tories. That's why Labour supporters are lending their vote to the Lib Dems this time. They want an MP who will protect our NHS and give people the final say on Brexit.

Use your vote to help Lib Dem Charlotte beat the Tories.

Dear Resident,

In just a few short weeks we will go to the polls to decide the future of this country.

This election is a once in a generation opportunity to reshape our politics and give hope to millions.

It is our opportunity to reject the tired old politics of fear and hatred with Boris Johnson and Jeremy Corbyn's infighting in Parliament and elect a Prime Minister with a vision for a fairer, brighter future for the UK.

Tens of thousands of people have left the Conservatives and Labour to join the Liberal Democrats, including Tory and Labour MPs who have joined us in the last few months. The Liberal Democrats are a home for everyone who wants to build a brighter future and refuses to take our country backwards.

If you elect me on 12th December you have my word I will fight tooth and nail for West Oxfordshire.

I will:

- Campaign for investment in better local transport
- Fight for more genuinely affordable homes for local people
- Win a secure future for our local community hospitals

On all these issues, we have been badly let down by the Conservatives.

Nationally, the Liberal Democrats will fund 20,000 extra teachers, a mental health service accessible 24 hours a day, 365 days a year, and investment in insulating all homes by 2030 to reduce fuel poverty and help tackle the climate emergency.

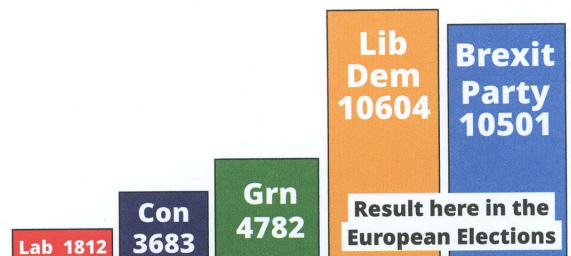

We have an ambitious plan for the future of our country, where every person, every community, and our planet can thrive. We believe our country's best days are ahead of us.

With your vote on Thursday 12th December, you can help me deliver the Liberal Democrat plan to build a brighter future.

Best wishes,

Charlotte Hoagland

P.S. It's between me and a right wing Tory who will back a chaotic bad Brexit. Please support me on 12th December.
