

Bampton In The Bush 2000

Welcome to Bampton In The Bush Millennium Morris Dancing Day.

Having survived the threatened Armageddon of the New Years Day Millennium Bug, we are now coursing through the year until suddenly another May Bank Holiday is upon us.

Visitors to the village today will notice that the work is now starting on the 10 flats to be built on the site of Market Square Garage. Residents will watch the development with interest.

Over £30,000 has been raised for the Bampton Wood Project in which 7 acres of woodland will be planted next autumn on a site close to the Recreation Ground.

The Pavilion on the Recreation Ground is now completed and is being well used. Many more exciting plans are in the pipeline to extend this facility in the future. Fund raising for the new Cycle Track to Tadpole Bridge is well under way, keep an eye open for posters. For more details contact Jo Lewington 850947
